**ENUMERATION JUMPER****INTRODUCTION**

Welcome!

Your household has been selected to take part in a national research study to map COVID-19 in the U.S. The study is being conducted by Emory University, one of the world's leading research universities, with funding from the National Institutes of Health (NIH). Participation in this study helps health researchers know how widespread COVID-19 is in the U.S., including those who have had COVID-19 and recovered. To ensure a representative sample of the nation, only one person in your household must be randomly chosen to complete the test kit.

All information that you provide in this questionnaire will be kept confidential.

- 1. First, let's get a little information about you. Are you 18 years of age or older?\***
  - a. Yes
  - b. No

*The following question will show when respondent's age is less than 18.*

- 2. Is there an adult age 18 years or older in the home that is available to complete this questionnaire now?\***
  - a. Yes
  - b. No

*The following will display when an adult older than 18 years of age is not available:*

**THANK YOU!**

"Thank you for taking our questionnaire. Your response is very important to us. For more information about Coronavirus and how to protect yourself, please visit <https://www.cdc.gov/coronavirus/2019-ncov/index.html>."

*This page will show when an adult older than 18 years of age is available.*

Please ask this person to hit the Next button when they are ready to continue.

## LOGIN/PASSWORD

Login/Password action: Please enter the Registration ID from your test kit. This can be found on the first page of your printed instruction guide in your kit.

The Registration ID is case sensitive, please enter the 9 letter code in ALL CAPS.

3. Login Type:

## CONSENT

Our privacy policy: any information shared in this survey is strictly confidential and will only be used for research study purposes. All the information that we gather from you today is safely stored.

We just need to get some basic information about your household. Once that is done, we will randomly select one person to represent your household in the study.

**Being in this study is entirely your choice. You have the right to refuse to participate or to stop taking the questionnaire at any time. Please select an option below. You may print a copy of this form for your records.\***

☐ I am at least 18 years of age, agree to the above information and would like to participate in this research study.

*Redirect to Enumeration Survey if respondent continues.*

☐ I would not like to continue as a participant in this research study.

*Redirect to Thank You statement if respondent does not continue:*

## THANK YOU!

“Thank you for taking our questionnaire. Your response is very important to us. For more information about Coronavirus and how to protect yourself, please visit <https://www.cdc.gov/coronavirus/2019-ncov/index.html>.”

## ENUMERATION SURVEY

### CONTACT INFORMATION

- 4. Before we get started, would you be willing to provide your preferred contact information in case we need to get back in contact with you?**

Please remember that all information that you provide in this questionnaire will be kept confidential.

Email:

Phone number:

### HOUSEHOLD TOTALS PART 1

- 5. How many people including yourself, live in your household?** Living in the household means anyone who currently considers the household their usual place of residence and does not usually live somewhere else. \*

*This page will show when more than one person lives in the household.*

### HOUSEHOLD TOTALS PART 2

- 6. Out of the [question('value'), id='348'] people in your household, how many of them are adults 18 years of age or older?** Don't forget to include yourself!\*

- 7. Out of the [question('value'), id='348'] people in your household, how many of them are children between the ages of 3 and 17?** If there are no children age 3 to 17 in the household, please enter 0.\*

[id='381']

8. Out of the [question('value'), id='348'] people in your household, how many of them are children 2 years of age or younger? If there are no children age 2 or under in the household, please enter 0.\*

[id='640']

## SURVEY TAKER

9. Please tell us a little more about yourself.

First initial\*:  Middle initial:  Last initial\*:   
Age\*:  Sex\*: ☐ Male ☐ Female

Thanks for telling us more about you!

## ADULTS PART 1

10. Next, we would like to ask you for the same information about each of the [question('value'), id='389'] other adult(s) 18 years of age or older that live in your household.

**Adult 1** [Repeated for every adult in the household (Maximum = 10 adults)]

First initial\*:  Middle initial:  Last initial\*:   
Age\*:  Sex\*: ☐ Male ☐ Female

*If >10 adults show message:* You have a really large household! We won't ask you to tell us about more than 10 of the adults.

## ADULTS PART 2

Great! We have just a few more questions about the adults in your household.

**11. Are any of the adults in your household who are working outside of the home right now doing any of the following types of jobs?\***

	Healthcare/ first responder	Cashier or front- line worker at essential business	Construction/ landscaping	Education	Transportation service: driver, food	Factory worker	None of these jobs
Adult 1							
Adult 2							
Adult 3							
Adult 4							
Adult 5							
Adult 6							
Adult 7							
Adult 8							
Adult 9							
Adult 10							

Adult 11							
----------	--	--	--	--	--	--	--

### ADULTS PART 3

**12. How many people do you think each adult in your household comes into close contact with (less than 6 feet away) on most days?** It's okay if you don't know the exact number, just give us your best guess.

Please do not include contacts with people that live in the household or occasional trips to get supplies (for example, going to the grocery store).\*

	0	1-4	5-10	11-20	21-30	31-50	51-100	More than 100	Don't know
Adult 1									
Adult 2									
Adult 3

Child 4									
Child 5									
Child 6									

Child 7									
Child 8									
Child 9									
Child 10									

\*Denotes a required question

## GENERAL HOUSEHOLD

Thanks for all of the information you have provided so far, we are almost done! We have just a few last questions about your household.

**19. What is the primary language spoken in your household?\***

a. English

b. Spanish

c. Something else:

**20. What state do you live in?\***

[Drop down list of 50 states]

## WRAP-UP

*This page will show if respondent lives in a one-person household.*

Thank you for telling us about your household.

We are excited to have you continue in the study and complete the COVID-19 test kit and the next series of questions.

---

*This page will show if the household has more than one adult.*

Thank you for telling us about your household.

[*selected respondent initials*] age ([*selected respondent age*], sex [*selected respondent sex*]) has been selected to participate and represent your household in the COVIDVu Study. [*selected respondent initials*] will be asked to complete the next series of questions and the COVID-19 test kit.

It is very important that the [*selected respondent initials*] completes both the test kit and the next set of questions.

---

*This page will show if the household has more than one adult and was randomly selected for the additional household kit sample.*

Thank you for telling us about your household.

[*selected respondent initials*] age ([*selected respondent age*], sex [*selected respondent sex*]) has been selected to participate and represent your household in the COVIDVu Study. [*selected respondent initials*] will be asked to complete the next series of questions and the COVID-19 test kit.

And more great news! Your household was also randomly selected to receive [# *extra kits*] extra COVID-19 test kits for individuals age 3 or over in your home! Your [# *extra kits*] extra kit(s) will be sent out in the next few days.

It is very important that the [selected respondent initials] completes the current test kit and the next set of questions. The other members of your household will be able to complete their test kits when they arrive.

---

*The following question will display if there is at least one adult over the age of 18 in the household.*

**21. Are you [selected respondent initials] age ([selected respondent age], sex [selected respondent sex])?**

It's okay if your initials are slightly off.\*

- a. Yes, that's me!
- b. No, that's not me but that person lives with me.

**22. Is [selected respondent initials] (age [selected respondent age], sex [selected respondent sex]) willing to participate in the study?**

- a. Yes → Redirect to Baseline Survey
- b. No → Skip to Question 25

*The following question will display if the selected household member is not the survey taker, but a person who lives in the same household (Response to Q.21 is 'b')*

**23. Does [selected respondent initials] (age [selected respondent age], sex [selected respondent sex]) have the capacity to consent for this study such as reading and understanding the forms to participate including the ability to understand the forms to participate in the study?\***

- a. Yes
- b. No → Skip to Question 25

*The following question will display if the response to Q.21 is 'b' and the selected household member is willing to participate in the study and has capacity to consent*

**24. Is [selected respondent initials] (age [selected respondent age], sex [selected respondent sex]) available to continue with the next set of questions right now?\***

- a. Yes → Redirect to Baseline Survey
- b. No → Skip to Question 26

*The following question will display if the selected household member is not willing to participate or does not have the capacity to consent for this study.*

That's okay!

**25. Please choose the person in your household closest in age with [selected respondent initials] (age [selected respondent age], sex [selected respondent sex]) who is able to continue with the study right now.\***

- a. Age () Adult 1
- b. Age () Adult 2
- c. Age () Adult 3
- d. Age () Adult 4
- e. Age () Adult 5
- f. Age () Adult 6
- g. Age () Adult 7
- h. Age () Adult 8
- i. Age () Adult 9
- j. Age () Adult 10
- k. Age () Adult 11
- l. *No one would like to continue with the study. Note, if you choose this option no one will be eligible for the incentive or COVID-19 testing*

## LOOPS

*If the selected household member is not available to continue with the next set of questions, the following set of questions will display and the participant will be allowed to return to this page up to 5 times and answer these questions.*

**26. Are you [selected respondent initials] (age [selected respondent age], sex [selected respondent sex])?**

It's okay if your initials are slightly off.\*

- a. Yes, that's me! → Skip to Question 27
- a. No, that's not me but that person lives with me.
- b. No, that's not me and does not match anyone that lives with me.

**27. Are you available to continue with the questionnaire right now?\***

- a. Yes → Redirect to Baseline Survey
- b. No

**PROCEED TO THE SURVEY**

*The following will display if survey taker is the selected member and is willing to participate.*

Next you'll be asked to complete some additional questions and your test kit. Please click the "Next" button below to continue to the remainder of the questionnaire.

*The following will display if another household member was selected for the study and the selected household member is willing and able to participate.*

Please have [selected respondent initials] (age [selected respondent age], sex [selected respondent sex]) continue with the questionnaire by clicking the "Next" button below.
